

WA – Gingin Red Gully Perth - Surficial Water Tender

Long term lease description:

An opportunity to secure additional allocation through long term lease has recently presented itself in the Gingin Red Gully Perth - Surficial area.

We are currently fielding non-binding expressions of interest from anyone who may be seeking to expand their temporary ground water access, through a fixed price long term lease.

The lease is available on 150000KL for a contracted time of up to 3 year terms (maximum lease length on offer at this stage), with the price per KL being subject to negotiation.

Interested parties are asked to have lodged their intent by no later than 31st of August 2023, as the tender will be closing after this time.

Those wishing to lodge their intent, can either contact us directly through the provided company details below, or via the QR code link.
